Philips
Steam iron

GC4330

Power with precision

Easy reach steam tip

Steam iron with special Steam Tip to get steam into every little detail. Very high continuous steam output (40g), extra powerful shot of concentrated steam (100g), elongated steam slots, and special safety features.

Easily removes creases
- Continuous steam of up to 40g/min for better crease removal

Reaches into tricky areas
- Steam Tip lets you iron right into hard-to-reach areas

Comfortable ironing
- Careeza soleplate for exceptional gliding on all fabrics
- Automatic Anti-calc system
- Less refilling with extra-large water tank
- Extra-long 3m cord for maximum reach
- Soft grip for lasting ironing comfort

Safe ironing
- Electronic safety shut-off when iron is left unattended
- Drip-stop system keeps your garments spotless while ironing

PHILIPS
sense and simplicity

- Product weight: 1.70 kg
- Watertank capacity: 350 ml

Product highlights

Steam Tip
The unique Steam Tip combines a particularly pointed front of the soleplate with special steam slots in the tip to reach right into the smallest and most difficult areas for the best ironing results.

Automatic safety shut-off
The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.

Drip-stop system
Drip Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Soft grip
The soft handgrip allows for comfortable ironing even during longer sessions.
